The undersigned, take great pleasure in stating to the Town that the vote, which they herewith annex, passed by the Town three years ago has been, with a few exceptions, very generally complied with. They would also suggest that all bills which are held, by any of the citizens against the Town, particularly those for School expenses, should be presented for allowance and payment as often as once in a year, say in the month of *January*, in order that each year's expenses should be distinctly kept; they are constrained to mention this, having noticed in this year's examination, several bills of *two*, *three*, and even *four* years standing; and although they may be small in amount, yet it is very desirable that they should be paid at least once a year.

[*Extract from the Town Records.*]

"In Town Meeting April 6th, 1840. Voted, that all revenue of the Town of Dorchester, arising from taxes or otherwise, shall be paid into the Town Treasury; and no money shall be paid out of the Treasury, but upon warrant of the board of Selectmen, made on the bills of articles purchased, and for services rendered. Nor shall the Selectmen sanction a bill, unless it specify the quantity and price of the articles purchased, the time when and the place where the labor has been performed, (excepting of bills by Surveyors of Highways,) and the appropriation from which the payment is to be made."

*A true copy from Dorchester Records.*

(Signed,) THOMAS J. TOLMAN, *Town Clerk.*

It is also gratifying to the undersigned, and it must be to the citizens, to reflect that although considerably large sums have been expended within two years for improving the buildings and lands belonging to the Town, yet that the available means for current expenses, are larger by nearly two thousand dollars, than they have been for several years past.

Respectfully submitted, by

OTIS SHEPARD, } *Auditors,*  
JOSEPH L. HAMMOND. } for 1843.

Estimate of the necessary expenses of the town for 1843, as prepared by the Selectmen, and the resources to meet the same.
